No bid may be modified subsequent to the deadline for submission of bids. No bid may be withdrawn in the interval between the deadline for submission of bids and expiration of the period of bid validity specified by the Bidder on the bid form. Withdrawal of a bid during this interval may result in the Bidder's forfeiture of its bid security,

21. Opening and Evaluation of Bids

- (i) The Purchaser will open all Bids, in the presence of Purchase Committee members and Bidders' representatives who choose to attend, as per the schedule given in bid details. The Bidder' representatives who are present shall sign the quotation opening sheet evidencing their attendance. In the event of the specified date of Bid opening being declared a holiday for the Purchaser, the Bids shall be opened at the appointed time and location on the next working day. .
- (ii) During evaluation of bids, the Purchaser may, at its discretion, ask the bidder for a clarification of its bid. The request for clarification and response shall be in writing and no change in prices or substance of the bid shall be sought, officered or permitted. However, no negotiation shall be held except with the lowest bidder.

- (iii) Preliminary Examination: the Purchaser will examine the bids to determine whether they are complete, whether required sureties have been furnished, whether the documents have been properly signed, and whether the bids are generally in order.
 - (iv) Bids from suppliers, without proper Authorization from the manufactures shall be treated as non-responsive and rejected.
 - (v) Arithmetical errors in the financial bids will be rectified on the following basis. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected. If the supplier does not accept the correction of errors, its bid will be rejected. If there is a discrepancy between the price quoted in words and figures, the rate quoted in words will be taken as final and shall be binding on the agency.
 - (vi) The Purchaser may waive any minor informality, non-conformity or irregularity in a bid, which does not constitute a material deviation, provided such a waiver, does not prejudice or affect the relative ranking of any Bidder.
 - (vii) Prior to the detail evaluation, the Purchaser will determine the substantial responsiveness of each bid to the bidding documents. For purpose of these clauses, a substantially responsive bid is one, which conforms to all the terms and conditions of the bidding documents without material deviations. Deviations from or objections or reservation to critical provisions such as those concerning Bid Security / Performance Security , Warranty, Force Majeure, Applicable law and Taxes Y Duties, etc., will be deemed to be a material deviation.
