03	Solid bottom Pan – 1 no.
04	Lid – 1 no.

**TECHNICAL SPECIFICATION OF DIGITAL MOISTURE METER**

Sl no.	Specification
01	Measuring Range : 3.5% to 40%
02	Supply Voltage : 9V DC
03	Temperature Compensation : Automatic calibration & error correction & error correction facility
04	Display : Digital LCD/ LED
05	Error condition display for over Range or under Range : $\pm 0.2\%$
06	Commodity : Cereals, Pulses, Oil Seeds
07	Operating Temperature : Ambient to 50 <sup>0</sup> C

**TECHNICAL SPECIFICATION OF ANALYSIS BOX/KIT**

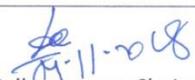

Sl No.	Specification
01	Analysis Box / Kit consists of Class 'B' Mechanical Weighing Balance up to 100 gm. Weight box consist of set of verified weights up to 100 gms. Enamelled plate-9", Parkhi-9", Sieve-3.30 mesh, Magnifying Glass-1.5" (magnification of 10X), Vernier/ Micrometer, Palm Paddy De-husker, scoop (with handle, 105mm X 1000mm X 25mm, measuring cylinder-20 cc, Built-in purity work Board for testing physical purity of seeds, petridish and Forceps all packed in a compact wooden/leather brief case, as small, as light and as compact as possible, but as accurate and as reliable.

**TECHNICAL SPECIFICATION OF SEED SAMPLE DIVIDER (BOERNER TYPE)**

SI No.	Specification
01	Meeting BIS SPECIFICATION.
02	Number of pockets: 38
03	Hopper capacity: 1kg (minimum)
04	Feature: provides accurate splits of the grain samples into two equal halves with an accuracy of $\pm$ 5% on a 1kg sample.
05	Two collecting pans
06	Copper and brass body
07	Made without joint (in material flowing component)

**TECHNICAL SPECIFICATION OF TARPAULIN & HDPE POLYTHENE**

SI No.	Specification
01	250 GSM HDPE woven fabric laminated with LDPE (UV) conforming to BIS Standard.
02	Valid Rate Contract of Director, Export Promotion & Marketing (DEP&M) Odisha, Bhubaneswar as per their approved specification.

  
Sub Collector cum Chairman,  
RMC, Jeypore(Koraput).

## 'ANNEXURE - B'

DETAILED TERMS & CONDITIONS

- 1) Before procurement, the R.M.C. should ensure that the expenditure to be incurred for purchase of the weighing / grading equipment is within the approved capital budget. If there is no such provision, then the R.M.C. should immediately take approval of capital budget from the OSAM Board. Moreover, the purchase of any item within the capital budget, sanction of the concerned Chairperson of the R.M.C. is mandatory.
- 2) If any item from the table at 'Annexure-A' is available on D.G.S.&D / D/EP&M Rate Contract and found to be less than those approved by the OSAM Board, then the R.M.C. may purchase from the Firm enlisted with the D.G.S.&D / D/EP&M subject to fulfilment of condition as at Sl. No.1 above & in conformity to approval of quality as well as usable to local environment.
- 3) The purchase order may be issued by the RMC either to the Manufacturer or to the Authorized Distributor / Dealer as selected / finalized. If the Suppliers fail to deliver to RMC within the allotted delivery period, the purchaser may procure goods or services similar to those undelivered upon such terms and in such manner as it deems appropriate, from other firms and the Supplier will be liable to the purchaser for excess cost, if any. Part supply will not be accepted, but may be allowed on genuine cases, on written request only.
- 4) The price mentioned in 'Annexure-A' is F.O.R RMC (destination) inclusive of all taxes, duties, packing and forwarding charges. Inland transportation, insurance and local costs incidental to delivery & installation charges (as admissible, if any) etc. The Supplier should clearly indicate the percentage / amount of CST/ VAT etc. in the invoice.
- 5) Exemption of central excise duty as actual for use for Agricultural application, if any, shall be availed upon submission of relevant documents, which are to be specified by the Supplier well in advance and the Supplier shall render all sort of assistance to obtain same.
- 6) The RMC shall not be responsible for any loss, damages and shortage during transportation. Payment shall be made for materials received in good conditions only.
- 7) The rate contract is valid for a period of one year i.e. from award of the rate contract. The validation of the AMC can also be extended for 2 more years if agreed to by the Supplier and on acceptance by the OSAM Board.
- 8) Timely delivery is essence of the contract and hence should any consignment be delayed, liquated damages @ 0.5% of the price of the delayed consignment, for each week or part thereof shall be levied and recovered subject to maximum of 10% of total order value.

- 9) After Sales Service, Spare Parts Management, Defect Rectification Management as would be decided by the Authority should be ensured by the Supplier.
- 10) Maximum uptime, downtime & response time as signed by the Supplier at i.e. rectification of any problems that arise shall be done by the Supplier must also to be maintained by the Supplier, failing which penalty as per of bid documents will be imposed.
- 11) It is the responsibility of the Supplier for ensuring satisfactory installation & commissioning of it's supplied items in the R.M.Cs/Market Yards etc. failing which final acceptance certificate shall not be issued to the firm.
- 12) Since the items are proposed to be set up in good numbers in the RMCs of the State, hence the entire consultancy, right from concept stage to commissioning and post sales service stage, should also be provided by the Supplier.
- 13) The Supplier should supply the required items in required quantities, to the concerned RMCs of the State, for which the RMC should mention details of 'Delivery Schedule' in a tabular form including the addresses of the consignee.
- 14) **Training** : All necessary exhaustive training programmes to the users (RMC) on proper maintenance, repair, over-hauling & operation for all the equipment supplied shall be arranged by the respective Suppliers in Odisha for sufficient number of days on free of cost.
- 15) **Warranty / Guarantee**: Comprehensive warranty for all the items shall remain valid for 12 months calendar months after the same have been delivered, commissioned and accepted at the final destination to be indicated in the agreement / contract / purchase order. Manufacturer's Guarantee / Warranty Certificate should also be submitted in the RMC for the items supplied by the Supplier along with the materials.
- 16) **Maintenance Service** : Free maintenances shall be provided by the Supplier during the period of warranty. After warranty period, for next three years, annual maintenance repairs of the entire system including cost of spares etc. will be done by the Supplier. The annual maintenance and repair cost (after warranty period) shall be paid in annual instalments at the end of each year from the date of completion of the warranty subject to satisfactory services rendered as specified in the bid document as per the rates quoted in price schedule.
- 17) The price of annual maintenance services for 3 years after expiry of comprehensive warranty for 12 months as indicated in Bid document should also be mentioned separately.
- 18) **Payment** : Payment for Goods and Services shall be made in Indian Rupees as follows:  

90% payment shall be made at the concerned RMC Office level against complete supply, installation and commissioning of Grading equipment and

101

upon submission of the documents specified. Balance 10% towards S.D. shall be released at RMC Office after completion of warranty period of 1 year from the date of successful installation and commissioning of equipment.

- 19) The items so supplied will have to be of high quality and grade and in the event if goods are found to be of inferior quality, the Supplier will be liable to be banned or suspended from doing business with RMCs, under the Board with forfeiture of performance security.
- 20) All sorts of legal disputes shall be resolved in the manner as provided for in the NIT.
