Signing of Bid: The Applicant shall digitally sign on all statements, documents and certificates uploaded by him, owing responsibility for their correctness/authenticity as per IT Act 2000.If any of the information furnished by the Applicant is found to be false/ fabricated / bogus his EMD/ Bid security shall stand forfeited and the bidder is liable to be blacklisted.

D. Submission of Proposal:

1. **Deadline for Submission of Proposal:**

The online submission will remain active till the last date and time of the bid submission. Once the date and time (Server date and time) is over, the bidder will not be able to submit the bid. The date and time of bid submission shall remain **unaltered** even if the specified date for the submission of bids declared as a holiday for the Officer Inviting the Bid.
2. **Late Bids:**

The system shall reject submission of any bid through portal after closure of the receipt time. For all-purpose the server time displayed in the e-procurement portal shall be the time to be followed by the bidder and concerned officers.

3. Modification and Withdrawal of Bids:

4. In the e-Procurement Portal, it is allowed to modify the bid any number of times before the final date and time of submission. The bidder shall have to log on to the system and resubmit the documents as asked for by the system including the price bid. In doing so, the bids already submitted by the bidder will be removed automatically from the system and the latest bid only will be admitted. But the bidder should avoid modification of bid at the last moment to avoid system failure or malfunction of Internet or traffic jam or power failure. If the bidder fails to submit his modified bids within the designated time of receipt, the bid already in the system shall be taken for evaluation.
5. In the e-Procurement Portal, withdrawal of bid is allowed. But in such case he has to write a letter with appropriate reasons for his withdrawal addressed to the Officer inviting the bid and upload the scanned document to portal in the respective bid before the closure date and time of receipt of the bid. The system shall not allow any withdrawal after expiry of the closure time of the bid.

E. Opening and Evaluation of Proposal:

1. The Tender Inviting Officer shall open the bids on specified date and time. Bid opening date and time as specified in the Notice Inviting Proposal can be extended issuing a corrigendum to this effect in the portal, if necessary.
2. The bidders who participated in the online bidding can witness opening of the bid from any system logging on to the portal with the DSC away from opening place. Applicants are not required to be present during the bid opening to witness the process.
3. In the event of the specified date of bid opening being declared a holiday for the Officer inviting the Bid, the bids will be opened at the appointed time on the next working day.
4. The Opening Officers will first check the scanned demand draft towards Processing Fee and the scanned document of Bid Security with that of the original submitted. If found in order, then only further evaluation shall be carried out, else the proposal shall be declared invalid and be liable for rejected.
5. The bids accompanied with application fees will be taken up for further evaluation with respect to eligibility, experience and financial strength based on document submitted.
6. The Proposal Inviting Officer may be asked in writing to the Applicant for clarification with respect to any document submitted along with the proposal or any other matter during the course of technical evaluation, if necessary.
7. The Applicant will respond in not more than 3 days of issue of the clarification letter, failing which the bid of the bidder will be evaluated on its own merit.
8. The Technical evaluation of all the bids will be taken up as per the information furnished by

the Applicant. But evaluation of the bid does not exempt the bidders from checking their original documents and if at a later date the bidder is found to have misled the evaluation through wrong information, action) shall be taken against the bidder/applicant.

9. After technical evaluation of the Proposal and selection of the technically qualified Applicants, the financial bids of the technically qualified bidders only shall be opened (online) on the due date and time of opening.
