2. Photo Copy of valid PAN
3. Registration No (Attach registration certificate of the bidder i.e. company/firm/partnership/LLP/Proprietorship/society/Trust)
4. Details of Bidder. (Annexure-4)
5. Valid ISO 9001:2015 certificate of the manufacturer.
6. Valid ISI/BSI certificates of the manufacturer.

7. The bidder must submit OEM Authorization in the name of Bidder(Bid specific).
8. Test Certificate of the Product.

**Cover B : Financial proposal for Supply of Stirrup pumps & PPE Kit for Insecticide spray as per the price bid format (NVBDCP – Koraput District) under H & FW, O/O : CDM & PHO, Koraput.**

- b. The Price bid format for is attached herewith. **(Annexure-5)**
- c. Quotation call for Supply of Stirrup pumps for DDT spray ( NVBDCP-Koraput District) under H & FW, O/O : CDM & PHO, Koraput.
- d. The bidders name and address shall be mentioned in the left hand corner of the outer envelope.
- e. The successful bidder will be selected on the basis of L1 rate of the items except AMC Cost.

**f. Demonstration of Technical Specifications & Performance :**

- Before opening of the Price Bid, if it is decided by the Tender Inviting Authority for certain equipment to have a demonstration of the equipment for assessing the compliance to the technical specification as indicated in Annexure – 1, then the bidder shall arrange for demonstration of offered items at Koraput at it's own cost , either directly or through authorized Dealer / Distributors, as the case may be.
- Failure to demonstrate the technical specification or performance of the items to the satisfaction of the technical committee or the Tender Inviting Authority will lead to automatic rejection of the bid and the price bid of such bidders shall not be considered for opening of Price bids.
- The Tender Inviting Authority's / User Institution's contractual right to inspect, test and, if necessary, reject the goods after the goods arrival at the final destination shall have no bearing of the fact that the goods have previously been inspected and cleared by Tender Inviting Authority's inspector during demonstration as mentioned above.

**g. Payment**

- No advance payments towards cost of medical equipments will be made to the bidder.
- 90% of the cost of the equipment shall be paid to the supplier on receipt of the stock entry certificate, installation and demonstration / training of the item from the consignee.
- The balance 10% of the payment of equipment will only be made after receipt of certificate on working status of the equipment from the

*[Handwritten signature]*

consignee after 8 weeks of installation and commissioning of the equipment.

**h. Warranty :**

- The successful bidder has to warrant that the Goods supplied under this Contract are new, unused, of the most recent or current models and incorporate all recent improvements in design and materials unless provided otherwise in the Contract.
- The successful bidder further have to warrant that the Goods supplied under this Contract shall have no defect arising from design, materials or workmanship (except when the design and / or material is required by the Tender Inviting Authority's specifications ) or from any act or omission of the successful bidder, that may develop under normal use of the supplied goods.
- All the equipments including the accessories supplied as per the technical specification should carry comprehensive warranty for a period of Two Year. During this period, the successful bidder shall defective parts and attend to all repairs / break downs and undertake stipulated number of preventive maintenance visits to every user installation site. The cost of spare parts for all replacements has to be borne by the successful bidder during the period of comprehensive warranty.

**i. Maintenance Contract (AMC)**

- The decision to enter into AMC for 2 yrs will be determined on the basis of cost and complexity of the equipment by the Tender Inviting Authority or User Institution, at its discretion, prior to the expiration of warranty period 2 Years to know whether AMC is required & accordingly quote the price of AMC in the price schedule.
- During Annual Maintenance Contract, the cost of spares will be borne by the Tender Inviting Authority or the user institutions, as the case may be. During the period of AMC, other terms and conditions will remain the same as in the case of Comprehensive Warranty / CMC, except in respect of the cost of spares. In short, the AMC is a CMC with provisions for payment of cost of spare parts during the currency of the contract by the Tender Inviting Authority or User Institution as the case may be.
- The cost of AMC, accessories and spares, reagents and consumables as in case as mentioned in the bid may be quoted along with taxes applicable, if any and no claim for taxes will be entertained later.
- Failure / refusal on the part of the successful bidder supplying / installing the equipments to enter into AMC with the Tender Inviting

Authority / User Institution, at the end of the Comprehensive Warranty Period, if the Tender Inviting Authority or the User Institution, as the case may be, desires so, shall lead to the blacklisting / debarring of the bidder.

- The successful bidder shall also indicate the rates for the CMC and AMC in price bid form and such rates are binding on the successful bids after the expiration of the warranty period. They yearly rates for CMC/ AMC shall remain the one and the same as quoted in the price bid form for the extended years.
- The payment of the agreed AMC charges will be made as per frequency for payment after satisfactory completion of said period, on receipt of service report / break down report from the head of all user institutions.

**j. Spare Parts**

- The Tender Inviting Authority or User Institution may place orders for additional spares / consumables / reagents which are needed for the smooth performance / operation of the equipment and the successful bidder shall be willing to supply the same in time at the cost offered in the price bid forms, failing which, such instances will be constructed as a breach of bid conditions and lead to penal provisions.

**k. Training**

- The successful bidders have to impart on-site training to Doctors / Technicians / paramedical staff on the operation and preventive maintenance of the equipment at the time installation and any time during warranty period if demanded by the User Institution to the satisfaction of the Tender Inviting Authority and User Institution.
- The training details shall be recorded in the installation certificate for enabling the Tender Inviting Authority to make the payment.

### 3. Personal Protective Equipment (PPE)

- Always wear the full set of clean PPE before beginning to mix insecticide or to spray.
- The PPE is composed of:
  - Overalls/wrap garment
  - Helmet with face shield
  - Face mask
  - Gloves
  - Rubber boots
  - Neck protection

#### TIPS:

- Wear the overalls over the boots.
- Wear the gloves over the overall sleeves.
- Inform your team leader immediately if any of the PPE items you received do not fit you comfortably, or if any of the equipment is damaged (e.g., torn).
