WORKING SHEET

FOR DETERMINATION OF MARKET VALUE U/S-26 OF R.F.C.T.LAR & R ACT 2013 FOR ASESMENT OF
COMPENSATION AMOUNT APYABLE TO THE LANDOWNER OF VILLAGE-EKAMBA UNDER JEYPORE
TAHASIL, DISTRICT-KORAPUT NEW BG RAIL LINK PROJECT.

LA Case No : 470/2022
Name of Village : Ekamba
Name of the P.S : Jeypore Thana No-22
Name of the Tahasil : Jeypore
District : Koraput
Private area for Acquisition : Ac. 12.690
Name of the Project : Jeypore-Malkangiri New BC Rail Link Project.

In this land acquisition proceeding preliminary notification u/s 11(1) of R.F.C.T.LAR 7 R Act 2013 was issued by Govt. in Revenue & Disaster Management Department vide their Notification No 470/2022 dated 18.06.2022. The said Notification has been published in the locality on dated 20.06.2022.

After publication of Notification preliminary survey has been conducted in presence of the land owners to set out the boundaries of the land proposed to be taken.

No objection has been received within the stipulated period of 60 days against the preliminary notification published in the locality.

Sub-Collector, Jeypore has been appointed as the Administrator under Sub-Section (1) of Section-43 of the Act vide Revenue & Disaster Management Department Notification No-34160/R & DM Dated-17.11.2014 for the purpose of preparation of Rehabilitation and Resettlement scheme of the affected families. After conducting survey and census of the affected family under the provision of section-16 of the Act, it is ascertained that there is no displacement on acquisition of the land.

Section-26 of the Act provides determination of market value by the Collector for assessment of the compensation amount payable of the land loser.

The following criteria have been fixed for determination of market price.

- (a) The market value, if any, specified in Indian Stamps Act 1899 for the registration of sale deeds or agreements to sell as the case may be, in the area, where the land is situated or
- (b) The average sale price for similar type of land situated in the nearest village or nearest vicinity area or
- (c) Consented amount of compensation as agreed upon Sub-Section (2) of section 2 in case of acquisition of lands for private companies or for public private partnership projects. This sub-section is applicable only in case of projects taken up in public private partnership or by companies and thus is not applicable in the case.

The acquired land is categorized kissam wise as follows.

Sl.No	Kissam	Area(In Ac.)
1	Paddy-2	3.928 dec.
2	Paddy-3	0.494 dec.
3	Dangar-2	8.188 dec.
4	House site	0.080 dec.
Total		Ac. 12.690 dec.

As per provision of the Act, the market value of the acquired land is required to be determined for assessment of compensation payable to the land losers and the recognized method of determination of market value is to discover from the price paid as per previous bona fide of the land in the vicinity within a fairly recent date and the Bench Mark Valuation of the village.

As per provision of section 26 of RFCTLAR & R Act 2013, the date of determination of market value (Bench Mark Value) of land shall be the date on which the notification has been issued under Section 11(1). In the present case, Bench Mark Value of various kissam of the land as on 18.06.2022 are being taken into consideration for determining market value of land.

As per explanation 1 of Section 26 (1) of the act, the average sale price referred to in clause (b) shall be determined taking into account the sale deeds or agreement to sell registered for similar type of area in the near village or near vicinity area during immediately preceding three years to the year in which such acquisition of land is proposed to be made. In present case, notification U/s 11(1) has been made on 18.06.2022. Thus the sale transaction for three years i.e 2019, 2020, 2021 and 2022 (i.e 20.06.2019 to 20.06.2022) has been taken into consideration. Further, R & DM Department, Govt. of Odisha vide letter no RDM-LAA-CLRFIC-002-2015-2015-20162/R&DM, Dated 23.06.2022 clarified that sale transaction of similar type of land situated in the nearest village or nearest vicinity area including that of same village made during preceding three years from the date of preliminary notification shall be taken into consideration while determining the market value of land U/s 26 of the RFCTLAR&R Act 2013.

Thus, as per provision of act, sale transaction of three years immediately preceding three years of the year i.e 2019, 2020, 2021 and 2022 (20.06.2019 to 20.06.2022) of Ekamba (village in which acquisition is being made) and adjoining villages (Umuri, Bankabija, Kankadahandi, Tatibeda, Khaparaput, Badakaudi & Sanakaudi) have been taken into consideration for calculation of market value.

The Bench Mark Valuation of the village Ekamba as on date of notification U/s 11(1) of RFCTLAR & R Act-2013 (18.06.2022) and the sale data/BMV of village obtained from Sub-Registrar, Jeypore for the period of preceding three years from the year of notification issued under section 11(1) of the Act (i.e 2019, 2020, 2021 and 2022) forms part of the working sheet.

The total sale transactions for the period 2019, 2020, 2021 and 2022 for the kissam under acquisition (Paddy-2, Paddy-3, Dangar-2, House site) for calculation of market value are given in Annexure I, II, III, IV respectively.
